

Northorpe the Barn

Our 16th century barn is the largest and the most versatile space at Northorpe Hall. A bright, modern venue with excellent audio and lighting equipment and large screen suitable for film presentations, as well as warm underfloor heating, it is suitable for both corporate and celebration events.

If you are planning a training workshop, a presentation, or a children's party, we can arrange an appropriate atmosphere and provide you with all the facilities you need.

Northorpe Hall offers an affordable and ethical choice for your business meetings, training events, family celebrations and conferences.

All the profits from our room bookings are used by the Trust to help provide services that support the emotional health and well-being of children and young people.

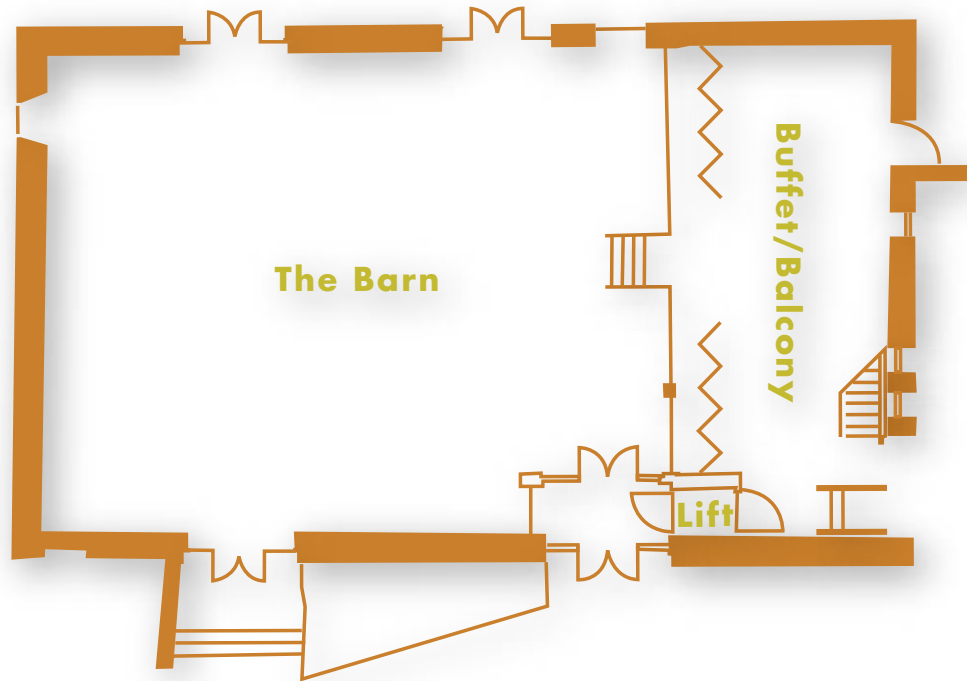

We look forward to welcoming you to Northorpe Hall.
