Northorpe Hall

... a professional friendly service in a peaceful location

The Stables can accommodate up to eighteen people. It is a modern room which can be used as part of a larger conference, or can be booked separately for smaller meetings and seminars.

The Annexe is a large colourful room ideal for meetings and activity led training. It is used regularly by groups of young people and artists and has a decor designed by young carers. It is a well lit space for up to thirty people with its own facilities.

The Lounge is the original main room of the Hall. This is a relaxed comfortable room with soft seating and a meeting table for up to eight people.

We provide a flexible, friendly and professional service that includes audio visual support, catering and free wi-fi. There is ample on-site parking.

We look forward to welcoming you to Northorpe Hall Child and Family Trust.

Northorpe Hall is a 16th century building situated in its own grounds in a quiet corner of Mirfield. Our beautiful barn was recently refurbished, creating a bright, modern venue.

The atmosphere at the Hall is calm and supportive and we are confident your experience here will be positive and enjoyable.

The Barn is our largest room and can comfortably seat up to one hundred people for a theatre-style presentation. The balcony and buffet areas are suitable for refreshments or for breakout groups.

Just wanted to say thank you very much for the use of Northorpe Hall, food and venue were excellent.
